

Our Prayer for Bethel Youth

Lord, hear our prayers for the youth. Fill their hearts with a desire to walk in your will and allow their testimonies to be a beacon of hope and love to all they meet. Help them to not conform to the ways of the world. May they be like a city on a hill; letting the light of Jesus shine brightly. We pray that your word has settled deeply in their souls. Protect them as they come in and go out to school each day. Allow their minds to be settled with peace so they can learn and fulfill your purpose in their lives. Help them to honor and respect their parents. We thank you for the opportunity to know each of them. We ask for you to cover them with your love in all they do and say. In Jesus name we pray.

Amen
