

Faith Is Patience in the Night

WORDS: Mary Nelson Keithahn

2211

**1. Faith is patience
in the night,
waiting for
the morning light,
never giving up the fight.
Spirit God give us faith.**

**2. Faith is laughter
in our pain,
joy in pleasures
that remain,
trust in one
we can't explain.
Spirit God give us faith.**

**3. Faith is steadfast
will to live,
standing firm
and positive,
being ready
still to give,
Spirit God give us faith.**

**4. Faith is courage
under stress,
confidence in
hopelessness,
greatest gift
we can possess.
Spirit God give us faith.**
