

Call to Worship

Pastor: Jesus promised that when the Holy Spirit came he would reveal the truth about God.

Let us open our minds and hearts to the Holy Spirit that we may better understand God -- Father, Son, and Holy Spirit. Amen.

Prayer Of Confession:

People: O Lord, we confess that our lives do not always show our love for Christ. We put aside his call to be peacemakers and exercise our right to be troublemakers. Jesus showed us the way of compassion, but we prefer to get even with our oppressors. Forgive us, Lord, and fill us with your Holy Spirit that we may so live that people will be able to tell we are Christians by our deeds of love and mercy. Amen.
