

# Amazing Grace

378

WORDS: John Newton, 1779; st. 6 anon. (1 Chr. 17:16-17)

**1. Amazing grace!  
How sweet the sound  
that saved a  
wretch like me!**

**I once was lost,  
but now am found;  
was blind, but now I see.**

**2. 'Twas grace that taught  
my heart to fear,  
and grace my  
fears relieved;**

**how precious did  
that grace appear  
the hour I first believed.**

**3. Through many dangers,  
toils, and snares,  
I have already come;**

**'tis grace hath brought  
me safe thus far,  
and grace will  
lead me home.**

**4. The Lord has promised  
good to me,  
his word my  
hope secures;**

**he will my shield  
and portion be  
as long as life endures.**

**5. Yea, when this flesh  
and heart shall fail,  
and mortal  
life shall cease,**

**I shall possess,  
within the veil,  
a life of joy and peace.**

**6. When we've been there  
ten thousand years,  
bright shining  
as the sun,**

**we've no less days  
to sing God's praise  
than when  
we'd first begun.**
