

Prayer

We pray especially for those today, Lord, that are standing in desert places, dry places of limited resource. Thank you, Lord, for allowing us to face temptations and have victory over them. We thank you that you care for us. Thank you for our provisions that you provide; that you care for our well-being, Lord. You even care about the condition of our feet and we thank you for that. We trust you today. We pray that not one of us would be turned aside. Thank you but that no one would shrink back and that not one would give up in Jesus Name, Amen.
