

Prayer of Invitation

Father, we welcome your Holy Spirit into our lives without resistance. I need your help, because apart from you I cannot stand. And thank you for your abiding presence, your great power and your mercy. Give us all an understanding heart, that we may be able to serve the living God with joy and freedom in our lives, body, soul and spirit. In Jesus' name, give us an opportunity to share that with others. Sometimes we believe but we don't come into the full gospel. We want people to be able to know the gifts and the love of God...Yes, You're Jesus Christ, but more importantly through the Holy Spirit that He left behind with us, individually, to help and encourage each other.

In Yeshua's precious name. Amen.
