

# Call to Worship

Leader: Let all who would serve the Lord prepare  
in worship for battle!

**People: For the forces of the enemy are great  
and we need God's power.**

Leader: Let us put on the full armor of God and  
be prepared to do battle.

**People: Do not fail to put on a single piece of  
armor, for the enemy is strong.**

Leader: The victory belongs to the Lord,  
for no power can prevail against God.

# Call to Worship

## **Prayer Of Confession :**

**Lord, so often we have failed to understand that it is You and You alone Who sustains us, and not our mortal strength.**

**Too often, O God, in this modern age we have trusted ourselves and our technologies to be our salvation instead, and we have dismissed**

**Your real saving power and the forces of darkness simply as concepts from the past.**

**Forgive us, Lord.**

**In Christ we pray.     Amen.**
