

Call to Worship

Leader: Come, let us give praise for God's
wonderful redeeming love!

**People: For even while we were lost in our sins,
Jesus died for us.**

Leader: We were unrighteous, even the best of us,
yet Christ died to wash us clean.

**People: We enter this house of worship, praising
God for our Lord and Savior,**

Leader: And our voices proclaim the glory of
the Lord God Almighty.

Prayer Of Confession :

O God, even as we have reached the week before Easter, it is still difficult for us to fully understand the price You gave so that we should know Salvation.

We have often taken the death of Jesus on the cross so lightly that we have hardly given it a second thought.

Forgive us, Lord, and draw us ever closer to accepting the crosses You have for us to bear.

In Christ we pray. Amen.
