The History of Bethel UMC

The earliest historical record of Bethel Methodist Church is that in August of 1834, a campmeeting was held on the banks of Bethel Pond. Church meetings were held in neighborhood homes following this. In good weather brush arbors provided meeting places for these early worshippers. Later, services were held in a small log schoolhouse about a mile north of the present church.

On March 17, 1847, Joseph and Thirza Hale deeded two acres of land to the Methodist Episcopal Church with the provision that Bethel Meeting House be built in the center of the two acres. A small frame church with wooden shutters was built where our Sunday School rooms are today.

In 1909 the congregation started building the present sanctuary. The church building was originally roofed with wooden shingles. The windows contain the original panes with the imperfections of early glass. The interior of the church was not completed until 1947. The narthex was added in 1970 and the steeple in 1972.

The furniture in the Church constitutes one of the most interesting parts of its history. The Pulpit was used by Bishop Joshua Soule on February 6, 1845 when he convened the first Florida Conference of the Methodist Episcopal Church, in Trinity Methodist Church, Tallahassee, Florida. Trinity gave the pulpit to Bethel Church circa 1895. The chancel rail, communion table and two of the pulpit chairs were part of Trinity Church during the 1800's and were given to Bethel in 1946. The larger pulpit chair was a gift of John Sullivan, friend of our Church.

Easter Promises...

*an empty tomb, an open sky,
a risen Savior.*

*Easter Promises...
the gift of Christ to us,
the joy of Christ in us
forevermore.*
