Did You Hear That?

If you occasionally have trouble hearing parts of the service, consider trying out one of our assisted listening devices or just ask to try one out to find out how they work so that you can suggest it for someone, perhaps a visitor, who may be helped by one.

Also, if you missed a service, the sermons are available for listening on our web site (listed in the bulletin) or you can request an audio CD with the sermon or full service on it.

Devotional Guides

The “Upper Room” and “Our Daily Bread” are collections of daily devotions. These guides are available in pocket editions as well as large print on a table in the narthex of the church.

A link to the current days' Upper Room devotional is also on the Activities page of Bethel's web site.

We hope that you will make these readings a part of your daily routine.
