**1. Faith is patience  
in the night,  
waiting for  
the morning light,  
never giving up the fight.  
Spirit God give us faith.**

**2. Faith is laughter  
in our pain,  
joy in pleasures  
that remain,  
trust in one  
we can't explain.  
Spirit God give us faith.**

**3. Faith is steadfast  
will to live,  
standing firm  
and positive,  
being ready  
still to give,  
Spirit God give us faith.**

**4. Faith is courage  
under stress,  
confidence in  
hopelessness,  
greatest gift  
we can possess.  
Spirit God give us faith.**
