

# Prayer

Father, thank you that you care for us and lead us, Lord. We welcome you into our lives as never before. Holy Spirit, we want to welcome you; we want to cooperate with you. Forgive us when we have rejected you. Forgive us when we have been unkind. We turn our hearts and our faces to you; to lay down our own rebellion where we have been stubborn and demanding of our own way and ignored you. Forgive us and let us learn more about you, in Jesus' Name. Amen
